### Drinking Water SRF Certification Pursuant to Section 1511 of the American Recovery and Reinvestment Act

I hereby certify that the following projects meet the requirements of the American Recovery and Reinvestment Act as follows:

1. The investment has received the full review and vetting required by law.
2. I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.
3. The investment will be used for projects which are identified and described on the attached project list.
4. The estimated total costs of the projects are identified on the attached project list.
5. The amount of covered funds is identified on the attached project list.

This Certification will be placed on or linked to websites as required.

Michael J. Linder, Director, DEQ
